EXAMINER'S AMENDMENT

1. An examiner's amendment to the record appears below. Should the changes and/or additions be unacceptable to applicant, an amendment may be filed as provided by 37 CFR 1.312. To ensure consideration of such an amendment, it MUST be submitted no later than the payment of the issue fee.

Authorization for this examiner's amendment was given in a telephone interview with Mr. Steven Jenson on Thursday, July 22, 2004.

The application has been amended as follows:

On page 1 of the disclosure, please delete the first word, "description"

Please enter the following headings within the specification:

On page 1 of the disclosure, line 6; please enter the heading, "Background of the Invention"

On page 4 of the disclosure, line 3; please enter the heading, "Brief Summary of the Invention"

On page 7 of the disclosure, line 33; please enter the heading, "Brief Description of the Drawings"

On page 8 of the disclosure, line 33; please enter the heading, "Detailed Description of the Drawings".

2. The following is an examiner's statement of reasons for allowance:

No prior art of record or combination thereof teaches a transformer circuit arrangement with a first and second transformers, wherein the first transformer has least two inputs, at least two outputs and a first frequency response with a first lower and a first upper limit frequency, and

Art Unit: 2832

wherein the second transformer has at least two inputs, least two outputs and a second frequency response with a second lower and a second upper limit frequency, “whereby the first lower limit frequency is smaller than the second lower limit frequency and the second upper limit frequency is greater than the first upper limit frequency, whereby at least one input of the first transformer is electrically connected to an input of the second transformer and at least one output of the first transformer is connected to an output of the second transformer, and whereby the frequency response of the transformer circuit arrangement has a bandpass behavior with a lower overall limit frequency and an upper overall limit frequency, whereby the lower overall limit frequency is smaller than the first upper limit frequency and the second lower limit frequency, and the upper overall limit frequency is greater than the second lower limit frequency and the first upper limit frequency”.

Any comments considered necessary by applicant must be submitted no later than the payment of the issue fee and, to avoid processing delays, should preferably accompany the issue fee. Such submissions should be clearly labeled “Comments on Statement of Reasons for Allowance.”
